Dear Sir:

PETITION TO WITHDRAW HOLDING OF  
ABANDONMENT UNDER 37 C.F.R. §1.181

In response to the Notice of Abandonment mailed September 14, 2006, Applicants request reinstatement of the application for no fee.

The Notice of Abandonment states that no response to the Notice of Missing Parts mailed December 20, 2005 was received in the Patent and Trademark Office within the two-month response period. Upon reviewing the file, it is apparent that the United States Patent and Trademark Office received the Response to the Notice of Missing Parts, but has misplaced the documents. The postcard that was sent with the Response was stamped and returned to the Applicants and a copy of the postcard is attached hereto. Accordingly, pursuant to 37 C.F.R. §1.8(b), Applicants are hereby: (1) informing the Office of the previous mailing promptly after becoming aware that the Office has no evidence of receipt of the correspondence, (2) supplying an additional copy of the previously mailed correspondence, and (3) including a Statement that attests on a personal knowledge basis to the previously timely mailing. It will be noted that the Response included a Certificate of Mailing as required by 37 C.F.R. §1.8, which clearly shows that the Response was filed on February 16, 2006, which was within the time set for response in the latest Office Action.

Having complied with the provisions of 37 C.F.R. §1.8, Applicants hereby request that the attached Response be entered and considered by the Patent Office as though it were received on February 16, 2006, as would be the case if it were not misplaced by the Patent Office. If there are any questions concerning this matter, Applicants ask the Examiner to call the undersigned at the number listed below.
